Re: Letter Motion: Request for Settlement Conference
Take-Two Interactive Software, Inc. v. Cameron, *et al.*
S.D.N.Y. Case No. 18-cv-02981 (LAK-DCF)
Client File No. 10203-A

Dear Judge Freeman:

I hope this finds you well. Please be advised that this firm represents co-defendant ERIK CAMERON (hereinafter, "Cameron") in the above-captioned matter.

As a threshold matter, I write on consent of counsel for plaintiff TAKE-TWO INTERACTIVE SOFTWARE, INC. (hereinafter, "Plaintiff"), and in furtherance of the three (3) Status Reports e-filed to this Court on September 28th, 2018, October 22nd, 2018, and November 29th, 2018. (ECF Dkt. 45, 47, 49).

Unfortunately, settlement negotiations by and between Plaintiff and Cameron have reached an impasse as to the only remaining issue, precluding a negotiated resolution to this matter. However, pursuant to Rule IV of Your Honor's Individual Practices, Cameron and Plaintiff respectfully request a Settlement Conference on any date and time that is convenient for Your Honor and all parties hereto.

Best regards,

/s/ ZACHARY G. MEYER, ESQ.
